बावरा मन

मन पंछी हुआ जाए बावरा प्रियतम तुमसे मिलकर,
हर ओर वसंत सा छा रहा प्रियतम तुमसे मिलकर।
मन में कितने अरमाँ जागे मेरे नयन हुये वाचाल,
बिन बोले सब कह जाते ये प्रियतम तुमसे मिलकर।
उड़ती फिर्कें स्वच्छंद गगन में पाँव धरा पर हैं मेरे,
बिन पंखों के उड़ना सीखा प्रियतम तुमसे मिलकर।
तन पर गिरती बूँदों से होता आभास तुम्हारे छूने का,
जाना नया अंदाज स्पर्श का प्रियतम तुमसे ।

गीता चौधरी "गीत "

मैं और तुम

मैं कौन हूँ ?
समझाया मैंने बहुत
पर तुम समझे नहीं।
समझे तुम वो
जो कभी मैंने समझाया नहीं।
तुम कौन हो ?
समझने की कोशिश की
मैंने बहुत
पर समझा नहीं।
और तुमने भी कभी
मुझे ये समझाया नहीं।
शुभ आत्रेय

OPERATION PAWAN

On 11th October 2025, **Swami Vivekanand Subharti University, Meerut** commemorated the event. The event was attended by families of 15 brave hearts and about 45 participants of the Operationalong with their families. तथागत बुद्ध की जीवन गाथा व शिक्षाओं को लोक संस्कृति से जोड़ता सुभारती बुद्ध मेला

मनुष्य के असंख्य दुखों का कारण क्या है, क्या सांसारिक दुखों से मुक्ति संभव है, परम सत्य क्या है; कुछ ऐसे ही मूल प्रश्नों के उत्तर की खोज में आज से लगभग ढाई हजार वर्ष पूर्व सिद्धार्थ राजगृह का त्याग कर संन्यास के दुर्गम पथ पर बढ़ चले थे। इतिहास में यह पहली बार था, जब कोई राजकुमार अपने परिवार एवं समस्त राजकीय वैभव को त्यागकर मानवमात्र के दुखों के निवारण का मार्ग खोजने निकल पड़ा। पीड़ित मानवता को दुखों से त्राण दिलाने का महत् संकल्प लेकर, अर्द्धरात्रि के घोर अन्धकार में, ऐश्वर्यपूर्ण जीवन और प्रियजनों का साथ सदा के लिए त्यागकर, दृढ़ निश्चय कर, सिद्धार्थ संन्यासी जीवन के कंटकपूर्ण मार्ग पर चल दिए थे। वर्षों के कठिन संघर्ष, त्याग और तपस्या से अंततः उन्होंने मनुष्य के क्लेश का कारण व उससे मुक्ति का उपाय जाना। सर्वोच्च ज्ञान प्राप्त कर वे सिद्धार्थ से 'बुद्ध' हो गये।

धार्मिक जड़ता व रुढ़ियों से ग्रसित तत्कालीन समाज में गौतम बुद्ध नवजागरण का संदेश लेकर आये थे। उनकी चिंतनधारा ने जनमानस में नवीन आध्यात्मिक चेतना का संचार किया। श्रेष्ठ जीवन मूल्यों पर आधारित उनके दर्शन को समझने के लिए गूढ़ रहस्यवादी विश्लेषण की ज़रूरत नहीं थी। किसी जटिल दार्शनिक चिंतन में ना उलझाकर, बुद्ध ने लोगों को बताया कि कैसे वे अपनी सांसारिक समस्याओं का समाधान कर सकते हैं। बुद्ध का बताया मार्ग मध्यम मार्ग है – घोर तपस्या और विषयासक्ति के मध्य का मार्ग। अलौकिक शक्तियों की बजाय बुद्ध ने लोगों को बुद्धि और तर्क के आधार पर समझाने का प्रयत्न किया। उन्होंने कहा कि लोग किसी शिक्षा को केवल इसलिए नहीं स्वीकार करें कि यह उनका उपदेश है, बल्कि वे उसे अपने विवेक से समझें। बुद्ध ने अहिंसा व सदभावना की बात की, पशुओं के जीवन का भी आदर किया, जीवन की शुद्धता व सदाचार पर बल दिया।

हजारों वर्ष पुरानी भारतीय सभ्यता पर बुद्ध अपनी अमिट छाप छोड़ गए हैं। मनुष्य की पीड़ा के प्रति उनकी संवेदना अद्वितीय थी। बीते युगों में बुद्ध सहृदय व्यक्तित्व ना तो उनके पूर्व कोई था, और ना उनके पश्चात् कोई आया। उनका एकमात्र लक्ष्य था – मानव को दुखों से मुक्ति या निर्वाण का मार्ग दिखाना। बुद्ध का यह लक्ष्य ही उनके जीवन का सार है। भारत ही नहीं बल्कि सम्पूर्ण विश्व इतिहास के महापुरुष तथागत बुद्ध की जीवन-गाथा व शिक्षाओं को देश-विदेश में जन-जन तक पहुँचाने का कार्य मेरठ स्थित सुभारती विश्वविद्यालय विगत कई वर्षों से कर रहा है। इसी विराट उद्देश्य को लेकर प्रत्येक वर्ष सुभारती विश्वविद्यालय के प्रांगण में सुभारती बुद्ध मेला आयोजित किया जाता रहा है।

नदी का किनारा हो या किसी त्योहार का अवसर, फसल पकने का उत्सव हो या कोई धार्मिक समागम, भारत में सदियों से लगते आ रहे मेलों में देश की लोक संस्कृति की, सांस्कृतिक धरोहर की झलक मिलती है। मेले हमारे सामाजिक जीवन का महत्वपूर्ण अंग हैं। ये जीवन की एकसरता को समाप्त कर उसे प्रसन्नता से भर देते हैं। अन्य लोगों से मिलने का तथा अपनी संस्कृति को पहचानने का ये मेले सुअवसर प्रदान करते हैं। भारत की सांस्कृतिक विरासत के संरक्षण में मेलों की एक बड़ी भूमिका रही है। समाज को जोड़ने के अलावा हमारी प्राचीन सभ्यता और परंपराओं के बारे में नई पीढ़ी को जागरूक करने में भी मेलों ने अहम भूमिका निभाई है।

हर वर्ष की भांति इस बार भी सुभारती विश्वविद्यालय के परिसर में आयोजित होने जा रहा बुद्ध मेला धर्म व संस्कृति के अद्भुत संगम जैसा होगा। इस मेले में बच्चों के झूले, खेलकूद व मनोरंजन के कार्यक्रम, विभिन्न प्रतियोगिताएँ, और जलपान के स्टॉल्स हर बार की तरह आकर्षण के केंद्र होंगे। गौतम बुद्ध के जीवन और शिक्षाओं को दर्शाती चित्र प्रदर्शनी और धम्म दीप कार्यक्रम का आयोजन भी होगा। इस दौरान मेले में आने वाले आगंतुक सुभारती परिसर में ही स्थित बोधि वृक्ष, मत्स्य जल कुंड, दीपशाला, और बुद्ध विहार में भ्रमण का आनंद ले सकते हैं। इसके अतिरिक्त वे बुद्ध वंदना, बुद्ध संगीत कार्यक्रम, और धम्मपद पाठ में भी भाग ले सकते हैं। बौद्ध साहित्य सम्बन्धी पुस्तकें एवं अन्य धम्म सामग्री मेले में मौजूद स्टॉल्स पर विक्रय के लिए उपलब्ध होंगी।

ALL ABOUT TRAVEL

"Travel is fatal to prejudice, bigotry, and narrow-mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one little corner of the earth all one's lifetime."

— Mark Twain

What if humans had never travelled? The world would have been quite different if humans hadn't travelled from one place to another. Countless indigenous groups would have continued to live in isolated areas across the globe with no contact with the outside world if humans hadn't travelled long distances. The peoples of the world—groups of people from multiple ethnic, cultural, racial, or national backgrounds—would never have met each other, they would never have learned from each other, so human civilization would never develop. Ideas and knowledge would have been confined to isolated communities with no travelers to spread them. There would have been no such thing as a world map.

Humans have travelled a lot ever since they first appeared on earth. Travelling for them has been as natural as breathing air. From large land masses called continents to remote uninhabited islands, from vast oceans to hidden water bodies, dark caves or erupting volcanoes, human footprints are everywhere, thanks to travelers! Travelers explored far-flung corners of the world, they met native inhabitants, they assimilated into foreign cultures, they learned unknown languages, they traded with locals, they chronicled their travels, and that's how they discovered the world as we know it.

Ever wondered why humans travel? Well, there are myriad reasons ...

Early humans travelled huge distances in search of food. They lived a nomadic life, crossing a whole continent to find a favorable climate or a fertile area to settle in.

It's the human urge to journey into the unknown. Humans by nature tend to be curious about what lies over the next hill or beyond the horizon. From time immemorial, an insatiable curiosity, a never-ending quest for adventure, and an unquenchable desire to make a discovery have drawn human beings to the heights of snow-capped mountains, faraway lands beyond the deep sea, impenetrable forests, inhospitable deserts, and mighty rivers.

Humans have a craving to step back in time, so they travel to historic places, archaeological sites, old forts, and monuments that offer a journey through the past.

The purpose of travel is devotional or spiritual when people go on a pilgrimage, visiting sacred sites or ancient temples, taking holy dip in rivers and doing yoga.

People often travel to towns, cities, and markets across different countries to explore vibrant cultures and meet new people; at times they travel to a serene hilltop or a tranquil riverbank in search of privacy.

For many, travel is an escape from the boredom of everyday life; for some, travel is a way to find solitude.

People mostly travel to visit a destination, but sometimes, they just travel, with no destination.

It's about the journey, not the destination, after all !

*"I do not travel to get to a place.
I travel to travel.*

The important thing is to move."

— Robert Louis Stevenson
